5 Dr. Taronte Venable will be performing his original,
6 intimate cabaret at the Flat Iron Cooperative Café in downtown
7 Bellows Falls Saturday, Nov. 1, from 2 to 4 p.m.
8 Venable is a chiropractic neurologist — and the new
9 owner of Temple Chiropractic — who also happens to be a
10 performer.

11 He shares his stories and experiences as a Black
12 American, combined with songs from various genres — including
13 an original song. This show debuted at Madame Sherri's in Keene,
14 New Hampshire, to enthusiastic audiences. His performances
15 have been described as powerful and full of soul, showcasing his
16 rich tones and dynamic range.

17 Venable is a former singer and soloist with New York
18 City's Stonewall Chorale and has a long history of participating in
19 choral groups. He recently committed himself to becoming a solo
20 artist, writing his own material and choosing complementary
21 songs from a range of other artists. This cabaret is the first in a
22 series. He says he is hard at work preparing his next one,
23 *Cultivating Happiness*.

24 Admission is free for this event, and beverages and treats
25 will be available for purchase at the café during the performance.
26 Venable will be around for questions and discussion after the
27 performance. For more information, check out the Flat Iron
28 newsletter at flatiron.coop and Dr. Venable on Instagram
29 @TheVenerableDoctor.
