4 Anachronistic Michael Tarbox brings his guitar playing
5 and voice to Stage 33 Live for a 7 p.m. show on Saturday, Dec. 6.
6 Tarbox writes songs anchored in rock 'n' roll, backwater
7 blues, hillbilly music, and country — "rough-hewn, immediate,
8 and hard-won," wrote organizers in a news release. His gospel-
9 tinged electric guitar playing, "tough as Texas barbed wire, brings
10 it all together." Tarbox's songs have been used in the television
11 shows *Sons of Anarchy* and *Supernatural*.

12 "My inspirations are musicians from a world that's
13 vanished. I let them guide me, but my goal is to create something
14 new," Tarbox said in the news release.

15 Tarbox began his career with The Tarbox Ramblers, a
16 quartet that released albums on the Rounder label and played
17 countless shows throughout the U.S. and Canada. The group
18 featured both Tarbox's songs and his arrangements of old blues
19 and string-band music.

20 At Tarbox's request, Wojcicki, a four-piece indie rock
21 band, will open. Wojcicki is the musical vehicle for Matt Sharff, a
22 refugee of the late '70s/early '80s New York City punk scene,
23 when he performed at storied venues like CBGB and Max's
24 Kansas City.

25 His music betrays the influences of rock 'n' roll,
26 Americana, punk, and prog rock. He's shared stages with
27 Emmylou Harris, The Jayhawks, NRBQ, The Misfits, and Bernie
28 Sanders, among others, and has recorded and performed with
29 Adam Yauch (Beastie Boys), T-Bone Wolk (Hall & Oates), and
30 Buddy Cage (New Riders of the Purple Sage).

31 Tickets are \$20 in advance through stage33live.com or at
32 the door as available. Advance tickets guarantee entry. Only 40
33 tickets will be sold. More information can be found at
34 stage33live.com.
