4 The Public Assets Institute, Vermont Public Interest
5 Research Group (VPIRG), and Planned Parenthood will host a
6 presentation on what they call “the unprecedented challenges
7 posed by federal rollbacks and cuts,” on Thursday, Dec. 11, from
8 6 to 7:30 p.m. at American Legion Post 5 on Linden Street.

9 These groups have been presenting their data at meetings
10 all across Vermont to inform residents about changes and what
11 they mean for working families and at-risk communities.

12 The panel of experts at the Brattleboro event will
13 “demystify the so-called ‘Big Beautiful Bill’ and empower voters
14 with the knowledge, tools, and resources needed to help their
15 neighbors and to advocate for actions that will protect our
16 communities from the worst effects of this legislation,” organizers
17 said.

18 At the event, there will be opportunities to dive into the
19 details of the bill, to identify action steps for how Vermont can
20 protect its most vulnerable residents, and to ask questions about
21 how this legislation, and recent federal actions more broadly, will
22 affect Vermont communities.
