4 The Dummerston Historical Society announces the
5 opening reception of the Dummerston School Student Art exhibit,
6 featuring works by approximately 25 students in first, fourth, fifth
7 and eighth grades, Sunday, Feb. 1, between 1 and 3 p.m.

8 At 1:30 p.m., Benjamin Ferguson, who has served as the
9 art teacher at Dummerston School since 2019, will give a short
10 presentation on the exhibit. He says he is dedicated to

11 introducing students to notable artists, teaching a wide range of
12 artistic techniques, and nurturing their creative growth.

13 In addition, the society's current exhibit, "Dummerston
14 Black Mountain Granite Quarries" is on display, along with a
15 video of George Kohout's recent presentation full of photos and
16 information about Dummerston's quarries.

17 Students are especially invited to attend and participate.
18 Families are welcome, as is the public. Refreshments will be
19 served.

20 The Dummerston Historical Society is in Dummerston
21 Center, adjacent to the Town Office. It is accessible and all are
22 invited to visit at no charge. For more information, contact Gail at
