4 Allow me to join the voices encouraging their neighbors
5 to cast their vote for Elizabeth McLoughlin for Selectboard.

6 One of the most compelling reasons for doing so is her
7 vast work experience in town planning. Rather than bringing a
8 rigid ideology to the table, she ascertains what is best for all of
9 Brattleboro.

10 I especially appreciate her stance on preserving recycling
11 and compost pick-up. It has been a remarkable success,

12 embraced by most residents, and, in the long-term, is best for
13 both the environment and our pockets.
