4 I voted for Isaac Evans-Frantz in the last election but did
5 so with some concern about how well this young upstart would
6 work out.

7 My concerns were unfounded.

8 Isaac, a Brattleboro native, has done a remarkable job.

9 His comments and his votes show that he takes the whole
10 community into account and is not beholden to any particular
11 group.

12 I am particularly impressed with his fiscal responsibility
13 efforts. He has shown that he is not afraid to push back when he
14 feels he is not getting the answers he needs to represent us all.

15 That's the kind of effort we need from our Selectboard. I
16 expect to see more of that as the town struggles with affordability
17 issues, and I know Isaac will not disappoint me.
