4 I have known Isaac Evans-Frantz since he was in high
5 school. I have always admired his dedication to causes. I
6 believed in him then and I still do.

7 We need someone who will continue to bring the
8 concerns of folks on the street, small businesses downtown, and
9 the elderly to the Selectboard. Isaac has been listening and doing
10 just that.

11 We need someone who will dig down into the weeds for
12 transparency on town issues, including the budget. Isaac has
13 been a master at bringing people together with respect and
14 inclusion and creating compromise that works for everyone. This
15 is so important given the huge divisiveness in our community
16 today.

17 He is incredibly articulate and outspoken and not afraid
18 to ask the hard questions, bringing transparency to the workings
19 of the select board and our town government.

20 There are some great candidates in this election. Isaac
21 has done an extraordinary job on the Selectboard and rises to the
22 top of the list of candidates based on his performance and
23 commitment to strengthen Brattleboro.
