4 I am so glad that Tammy Sargent is running to serve on

5 the Selectboard in Guilford. She is a very civic-minded citizen

6 and has worked tirelessly to become familiar with the workings

7 of our town. She has spent many hours poring over the books on

8 her own time.

9 She has regularly attended Selectboard meetings for all

10 the years that I have known her. When she speaks she knows

11 what she's talking about. She doesn't talk without having done

12 her research.

13 Tammy and her husband are self-employed, so they

14 know what's needed to balance the books. She has a good head

15 on her shoulders and has a great deal of empathy for the

16 households in town with varying economic needs.

17 She gives careful scrutiny to the issues that come before

18 town government and can be relied upon to think through the

19 issues and make sensible decisions that will be in line with the

20 greater good, not just a select group.

21 Tammy listens to what others have to say, giving heed to

22 all viewpoints; she will then make her own decision. Tammy is

23 not self-willed but is strong and won't be wrongly influenced.

24 I will definitely be voting for Tammy on March 3 and

25 urge you to do the same.
