####BEGIN TEXT####

5 On Feb. 12, Southeastern Vermont Community Action
6 (SEVCA) sustained substantial damage to its main office at 91
7 Buck Drive in Westminster due to a fire.

8 No injuries occurred, and SEVCA said in a news release
9 that it is “deeply grateful to the Westminster Fire Department for
10 their swift response, which prevented further damage to the
11 building.”

12 While their Westminster building is closed to the public
13 at this time, SEVCA says it “remains fully operational and
14 committed to serving the community. All services continue to be
15 open through our outreach offices in Brattleboro, Springfield,
16 Windsor, and White River Junction, plus our two Head Start
17 locations in Chester and Springfield.”

18 Clients with scheduled appointments should be in touch
19 with SEVCA staff regarding any changes in location or
20 scheduling. Contact them at 802-722-4575 or hello@sevca.org.
21 Their Contact Us page at sevca.org/contact offers a town-by-town
22 directory for services. The toll-free After Hours Crisis Fuel
23 Assistance line remains in service at 866-331-7741, as does the
24 After Hours Furnace Repair/Replacement line at 877-295-7998.

25 SEVCA offers its thanks “to all those who have reached
26 out to check on us and share your love and appreciation for our
27 work in the community. We are currently working through the
28 initial stages of the insurance process and, as more updates
29 become available, we will send them out. Updates will be
30 available through our website and social media on Facebook and
31 Instagram.”

32 For more information, visit sevca.org.
