5 Next Stage Arts presents an Open Mic evening hosted by
6 Vermont Timbre (Amelia Struthers and Mike Mrowicki) Sunday,
7 March 29, at 7 p.m., with doors opening at 6:15 p.m. The
8 evening will include a featured performance by guitarist and
9 songwriter Peter Siegel of The Gaslight Tinkers.

10 The Open Mic offers a welcoming and supportive stage
11 for musicians, poets, storytellers, and performers of all kinds to

12 share their work. Performers will have 10-to-15 minutes for their
13 sets, depending on the number of participants who sign up.

14 Siegel will present a set as the evening's featured
15 performer. As a founding member of The Gaslight Tinkers, Siegel
16 has helped shape a sound that organizers say fuses global
17 rhythms with New England fiddle traditions, "creating an
18 infectious blend" of Afro-Caribbean, Latin, funk, and folk
19 influences.

20 Those interested in performing are encouraged to reserve
21 a spot in advance by emailing Mrowicki at
22 mmrowicki@gmail.com. Audience members can RSVP at
23 nextstagearts.org. A \$10 suggested donation is requested at the
24 door.
