5 Stage 33 Live is running a Local Curator series of shows  
6 this summer, turning over the room to local heroes and “letting  
7 them call the shots.”

8 The first concert, Sunday, June 7, starting at 7 p.m., is put  
9 together by Ezra Holloway, born and bred just around the corner  
10 from Stage 33 live in Saxtons River. He’s assembled a trio of

11 young rising bands that organizers said in a news release would  
12 “bring heat and energy.”

13 A Few Fine Gents is a fusion jam band based in  
14 Westchester, New York, and they are known for improvisational  
15 jams and blending genres.

16 Technicolour LTD is a “crunchy” Brattleboro band  
17 influenced by ‘90s alt post-rock, post-hardcore, and post-punk  
18 music.

19 Man Made Tragedies is a “well-established and  
20 ambitious power trio” known for their live shows of original  
21 music that “blend punk energy with raw emotion.”

22 Organizers advise that this concert “will be loud.” Tickets  
23 are \$15 in advance through [stage33live.com](http://stage33live.com), or \$20 at the door  
24 as available. Advance tickets guarantee entry. Only 40 tickets will  
25 be sold. Advance sales will close at midnight the day before the  
26 show, or when 40 tickets have been sold.
