Pianist David Feurzeig reports he will perform his 101st Vermont concert Saturday, July 18, at 2 p.m. at St Mary's in the Mountains at 13 Main St., with local performer Bekka Eöwind, violin, continuing Feurzeig's tour offering a free show in all of Vermont's 252 towns to "spread the joy of music and promote environmentally sustainable performance."

In May 2022, he embarked on his Play Every Town project: 252 free concerts in each of Vermont's 252 towns to

12 combat climate change through the power of community and
13 music. If all goes as planned, Feurzeig will become the first
14 musician to perform in every Vermont municipality.

15 He will travel in his solar-charged electric vehicle
16 throughout the state, offering free concerts to bring attention to
17 the interrelated issues of climate and community, while bringing
18 music to his audiences.
