I had the opportunity to meet Aly Richards on June 28
with a small group of community members in Marlboro.

Besides being a dynamic speaker, she impressed us with
the depth of her understanding of every issue that our tough
crowd put before her. She not only clearly identified problems
but offered practical, informed solutions to them.

Don't be fooled by the label "progressive" embraced by
the other candidate. We love progressive ideas, but they need to

12 be backed by practical solutions, and it is clear that Aly has the
13 experience to deliver these.

14 She has been successful making Vermont a leader in
15 early childhood programming and can bring that experience to
16 make Vermont a model for the nation in healthcare, education,
17 housing, and more. Go see her for yourself and I'm sure you'll
18 agree! Check her website for in-person appearances.

19 Remember to vote for Aly in the primary on Tuesday,
20 Aug. 11, or vote now by going to your town clerk's office and
21 then again in the general election in November.
