5 Molly Gray's Vermont roots run deep. She grew up on a
6 farm, just as many other people in our state have. She is here to
7 make sure all Vermonters' voices are heard.

8 Molly has spent time around Vermont getting to know
9 people in our towns and hearing their thoughts on what Vermont
10 needs. She is already supported by a broad coalition of Windham

11 County leaders. I know she will think of each individual town as
12 lieutenant governor.

13 Molly understands that Vermont workers deserve a place
14 in policymaking. She will work to make sure communities thrive.
15 She knows we must focus on quality, affordable healthcare and is
16 prepared to make this important issue a priority when elected.

17 She is a strong politician with years of experience. She is
18 a human rights lawyer, served as assistant attorney general, held
19 the office of lieutenant governor in 2021, and spent the last three
20 years building the Vermont Afghan Alliance. She is ready to return
21 to office with an even greater understanding of what Vermonters
22 care about.

23 Vermont needs a lieutenant governor whom we can rely
24 on and who can be a voice in today's loud political environment.
25 Molly Gray has hands-on experience building a Vermont that
26 people can be proud of, and her record proves it. She has my full
27 support, and I hope she has yours.
