I have known Michelle Bos-Lun for 25 years. We taught at a Quaker school in New Hampshire before she moved to Vermont, several years before I moved back here.

Michelle has as much integrity as anyone I know. If she says she'll do something, she'll do it. She listens thoughtfully to constituents and is truthful if she disagrees. She also works hard on the issues that are most important in southern Vermont, including taxes, housing, mental health, and healthcare generally.

12 I worked with Michelle for two years in Youth Services,
13 in a mentoring program for high schoolers. She is a gifted teacher
14 and advocate. She has taught many students about state
15 government and has led several initiatives for students to
16 introduce legislation.

17 Michelle has worked hard on reforming training to
18 improve training for police in working with people who have
19 mental health issues. She has supported the Garvey family, whose
20 son and brother Scott was tragically shot and killed by a state
21 police trooper last year in Putney.

22 If you live in the Windham-3 district, I hope you will re-
23 elect her and contact her if you have questions or particular
24 concerns.
