As a young Vermonter, I am proud to support Michelle
Bos-Lun in her bid for re-election.

I first got to know Michelle as a legislative page in 2022,
an opportunity she made possible by driving me to and from
Montpelier every week. Today, I am grateful to have the
opportunity to serve as her campaign manager.

10 Michelle's integrity, resilience, and altruism make her not
11 only a personal role model but also an example for our leaders
12 across the nation.

13 At a time of great disappointment in our nation's capital,
14 Michelle works to ensure that every Vermonter is heard and
15 respected. This term, she has done tremendous work passing
16 landmark education reform without forced mergers.

17 She was also an advocate for an act, now a law, that
18 made Vermont the first U.S. state to ban the herbicide paraquat
19 and helped protect Vermonters from its links to Parkinson's
20 disease.

21 I am confident that Michelle will continue her work to
22 keep Vermont thriving. Following her work on H.537, a right-to-
23 garden bill, I am excited to see her continue addressing food
24 access through her Food as Medicine legislation.

25 As a young person, I am also ecstatic that she will be
26 bringing her usual tenacity and passion to the Climate Caucus as
27 co-chair.

28 I am proud that the first ballot I cast will include a vote
29 for Michelle.
