5 Applications from both new and returning vendors are
6 now being accepted for the 21st season of the Brattleboro Winter
7 Farmers Market. The application deadline for new vendors is
8 Tuesday, Sept. 1.

9 The 2026–27 season opens Saturday, Nov. 7. The market
10 will operate from 10 a.m. to 2 p.m. every Saturday through

11 March 27, 2027, in the Croker Hall gymnasium on the Winston
12 Prouty Campus in Brattleboro.

13 Brattleboro Winter Farmers Market organizers say it is the
14 region's only weekly indoor farmers' market operating throughout
15 the winter months, "providing a vibrant marketplace" for local
16 farmers, food producers, artisans, and community members.

17 As a project of Post Oil Solutions, the market's mission is
18 to support sustainable agriculture by providing a viable winter-
19 season outlet for local farms and producers while strengthening
20 community connections and promoting regional sustainability.
21 The market is also committed to improving equitable access to
22 locally produced food for all members of the community.

23 Those interested in participating as a vendor in the
24 upcoming Winter Farmers Market season can find the application
25 and market policy information at
26 brattleborowinterfarmersmarket.org. For more information, call
27 Sherry Maher at 802-275-2835, or email
